

The wines served at Brae are sourced from artisan wine-growers near and far; people with a passion for their craft, a deep respect for their land and a thoughtful approach to their processes.

The list offers wines of distinction, often produced with minimal intervention, always reflective of the place they were grown and the people who have made them.

### Wine

#### By the glass

We are very fortunate to be surrounded by some fantastic wine-producing regions and some of the best winemakers Australia has to offer. Here, we share some of our favourites from these producers along with a small selection of wines from special places further afield.
